Professional Summary

Dedicated and results-oriented professional transitioning into the Virtual Assistant and AI Automation space. Proven ability to ensure 100% data integrity and process efficiency in high-stakes operational environments. Certified in Human Resource Management and Customer Service, with a passion for leveraging AI-driven workflows and technical support to drive organizational excellence.

Core Competencies

- Virtual Assistance: Data Entry, CRM Management, Tech Support, and E-commerce Operations
- Automation & Design: AI-driven content automation and professional graphics design via CorelDraw
- Operations: Logistics coordination, high-volume data assessment, and inventory reconciliation
- Administration: Human Resource Management (HRMA) and Customer Service Excellence (CCSSS)

Experience

Weighbridge Officer | Pardee Food Nigeria Plc - Sango Ota, Ogun State / 2022 – Present

- Manage high-volume data entry for 50+ trucks daily, ensuring 100% data accuracy for inventory control
- Implemented enhanced data-checking protocols that reduced documentation errors by an estimated 15%
- Uphold the highest standards of data integrity and security to prevent discrepancies in cargo reporting
- Optimized truck turnaround times by coordinating real-time weight data with the warehouse team

Logistics Support Specialist | Pardee Food Nigeria Plc - Sango Ota, Ogun State / 2019 – 2021

- Provided key administrative support, including cross-departmental documentation and scheduling
- Demonstrated initiative and the ability to work with minimal supervision in a fast-paced environment
- Managed time-critical troubleshooting and resource allocation with full professional autonomy
- Digitized physical dispatch logs to improve data accessibility and record-keeping efficiency

Operational Assistant | Pardee Food Nigeria Plc - Sango Ota, Ogun State / 2012 – 2015

- Verified incoming stock against delivery notes to ensure quantities and item types matched orders precisely
- Inspected shipments for safety standards, including packaging integrity and moisture control
- Coordinated systematic offloading of goods to maintain warehouse safety and organization
- Monitored supplier delivery performance to identify and report recurring quality discrepancies

Education

- Bachelor of Science (Ed.) Biology (Upper Credit) | Tai Solarin University of Education / 2019

Certifications

- National Youth Service Corps (NYSC) / 2022
- Human Resource Management Associate (HRMA) – Macnel Consult Ltd / 2022
